ANTENNA FOR VEHICLE

RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

April 27, 2007

Sir:

It is noted that a number of references submitted on PTO-1449 with the application were crossed off as not having been considered.

Actually, these documents were from the International Search Report from the Japanese Patent Office as the Searching Authority, and so should have been considered. We submitted copies of these, as a precaution, and attach a copy of the postcard receipt proving their filing.

During a telephone call with the Examiner April 25, 2007, she advised us to resubmit the copies and that she would then return an initialed PTO-1449.

Such action is respectfully requested.

Respectfully submitted,

YOUNG & THOMPSON
